SECTION 2: INSTRUCTIONS TO BIDDERS

2.1 PROCEDURE FOR SUBMISSION OF PROPOSALS

1. The bidder is to fill up online e-tender on website (https://www.mptenders.gov.in) up to prescribed date and time with tender fees.

2. EMD should be deposited online through https://www.mptenders.gov.in or offline through BG/FDR No bid will be considered, unless and until each page of the bid documents is duly signed in original by the authorized signatory. Prices should not be indicated in the Pre-Qualification or Technical Bid. It will lead to rejection of bid. All the columns of the quotation form shall be duly, properly and exhaustively filled in. The rates and units shall not be overwritten. Rates shall be both in the figures and words.
3. Financial Bids determined to be substantially responsive will be checked by the evaluation committee for any errors. If there is a discrepancy between the quoted rate in figures and the quoted rate in words, the rate in words will take precedence. Arithmetic errors will be rectified on the following basis: -
    a. If there is a discrepancy between the unit rate and the total cost that is obtained by multiplying the unit rate and quantity, the unit rate multiplied by quantity shall prevail and the total cost will be corrected unless in the opinion of the evaluation committee there is an obvious misplacement of the decimal point in the unit rate, in which case the total cost as quoted will govern and the unit rate corrected.
    b. If there is a discrepancy between the total bid amount and the sum of the individual cost components, the sum of the individual components shall prevail, and the total bid amount shall be corrected.
    c. The offer price shall be all-inclusive, covering all taxes, duties, local levies, transportation, loading, unloading, and any other applicable charges.
    d. The successful bidder shall provide a clear breakup of the GST and the basic price in the invoice/bill.
    e. In case of any variation in GST rates, it shall be the bidder's responsibility to apply and submit the correct rates within the quoted price. No additional amount shall be payable by the Department.
    f. The bidder must take all necessary precautions while submitting the financial bid to avoid any ambiguity.
    g. In case of any difference in interpretation of applicable GST rates, the opinion/decision of the GST Commissioner shall be final and binding.
    h. It shall be presumed that the bidder has understood the requirements and has quoted prices inclusive of the correct GST rates.
4. The amount stated in the Form of Financial Bid will be adjusted by the evaluation committee in accordance with the above-mentioned point for the correction of errors and, shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, its bid will be rejected, and the EMD shall be forfeited. Any omission in filling the columns of "units" and "rate" or pertaining to the Taxes/levies, service tax as applicable etc., shall deemed to be treated as inclusive in the rates quoted. All corrections must be duly signed by the Bidder.
5. All the bid papers must be signed before uploading bids online. The information submitted must be definitive and specific. Vague terms, incomplete information, counteroffers, and 'uncalled for' correspondence shall not be entertained. The authorized signatory of the Bidder must sign each page and at the last page it must be clearly indicated that all the terms and conditions mentioned herein are acceptable to the Bidder unconditionally.

6. Bidder is required to submit the complete proposal along with annexure & brochures etc. The proposal has to be signed in order by the authorized representative of the Bidder. The proposal shall be exactly according to the presented formats given in the tender documents (RFP). All columns of the prescribed formats should be filled, and all questions in the tender document must be answered. Any additional information should be enclosed separately and referred to false in the relevant column in the proposal formats. Modifications / rewording of formats shall not be acceptable. No column should be marked as “NIL” or “Zero”, “0” etc. Where no price is proposed to be charged for any item or its parts required to be supplied, it should be clearly mentioned in so many words.
7. The Bidder is expected to examine carefully all instructions, forms, terms and specifications in the Tender document. Failure to furnish all information required in the Tender Document or submission of a proposal not substantially responsive to the Tender Document in every respect will be at the Bidders’ risk and shall result in rejection of the proposal.
8. If the Bidder fails to commence the work necessary to remedy such defect or any damage to the system caused by such defect within a reasonable time period, the department may following notice to the Bidder, proceed to do such work or contract a third party or parties to do such work, and the reasonable costs in caused by the department in connection with such work shall be paid to the department by the Bidder or may be deducted by the department from any amount due to the Bidder.
9. If the material submitted and displayed by the bidder is equivalent to or has better capabilities and fulfills the required functional requirements, then, after assessing the bidder’s claims, the material may be evaluated on its merits without insisting on the **specific terminology and wording** prescribed in the material’s specifications.
10. The bidder shall have a functional office with technical support staff in Bhopal (Madhya Pradesh) on the date of bid submission, supported by address proof (rent agreement/ownership document/GST registration), contact details and an escalation matrix. Bidders without a local office shall establish one in Bhopal within one month of issue of the Letter of Award (LOA) and submit proof to the purchaser, failing which it shall be treated as a breach of contract. The local office shall provide installation, commissioning and warranty support for all supplied items, including the Video Wall and UPS, throughout the warranty period.

2.2 EARNEST MONEY DEPOSIT

I. A sum of fixed amount (EMD) mentioned in the NIT against the items should be deposited as online through https://www.mptenders.gov.in or offline through BG/FDR.
II. The Earnest money will not be refunded on any account whatsoever till the tenders are finalized and in the event of any firm backing out from their offer, the earnest money is liable to be forfeited.
III. No interest shall be claimed on EMDs. Tenders received without or with inadequate EMD shall be liable to rejected.
IV. Only Bidder shall be liable to deposit EMD and security deposit.
V. Exemption from Earnest Money Deposit (EMD) shall be granted to MSME units registered in the State of Madhya Pradesh, in accordance with Rule 14.1 of the Revised Store Purchase and Service Procurement

C. FINANCIAL Bid Documents

Financial Bid with price in INR must be submitted in prescribed formats as online BOQ.

2.6 PROCEDURE FOR FINALIZATION OF BIDS

I. Firstly, the pre-qualification bid shall be opened. At the time of opening of bid the authorized representative may remain present. Committee may ask the candidate for any additional document/ information if required, to form its opinion as qualification of the bidder. If the committee is not satisfied, it may reject the bid.

II. The technical bid of only bidders qualifying in pre-qualification stage shall be opened.

III. The tenderer must present technical demonstration of Proposed CCTV Cameras and Video Wall at Police Telecom Headquarters, Bhadbhada Road, Bhopal. Without technical demonstration, Tender shall not be considered.

IV. As part of Technical Evaluation of Bids, the Bidders shall arrange demonstration of their quoted CCTV Cameras and Video Wall to show that they fully conform to this tender. (TEC will intimate tentative date of Demo) The bidders will be intimated the exact date and time slot for them to carry out such demonstration. The bidders are advised to make all necessary arrangements for the live demonstration of their quoted product with full functionality well in advance as they will be required to adhere to the time schedule given to them soon after bid opening / technical bid evaluation.

V. The information submitted by the bidders will be systematically tabulated and compared against the specifications provided in the tender document. This process will determine whether the product offered by each bidder complies with the purchaser's technical requirements as outlined in the tender specifications.

VI. The committee would be entitled to call for any further information, document, undertaking and may also interview the authorized representative of the bidder in order to satisfy itself about the eligibility of the bidder, technical specifications, trust worthiness of the product, at any stage of the tender process. The committee would be within its right to get any enquiry, secret or open conducted for the purpose. The information, documents submitted, and undertaking given by the bidder or its authorized representative to the committee should be deemed to be the part of the

"technical bid" of the bidder. The decision of the committee on technical suitability of the offer shall be final.

VII. Out of all the bidders, committee shall sort out the eligible/qualified bidder whose product/solution satisfies the technical specifications as given in Section 4 (4.2) of this document and is overall acceptable to purchaser being satisfied with bidder's capacity to full fill the supplied terms within stipulated time.

VIII. Financial bids of only qualified Tenderers shall be opened. Rest bids shall not be considered, and such short-listed bidders will be intimated about the date and time accordingly. At the time of the opening of Financial Bids, authorized representatives may remain present. It shall not be obligatory to accept only the lowest financial bid.

IX. The Purchaser reserves the right to reject any or all bids at any stage without assigning any reason or incurring any obligation towards the bidders. The essence is that only such bid that in the opinion of competent Authority is most suitable for MP Police shall be selected.

X. Bidders must understand that concerned committee and the competent authority may opt for any bid for the reason given for such preference. Technical qualification does not mean that all bids stand at equal footing in terms of quality, reliability, use worthiness, ease of handling, recurring maintenance and operation cost, down time / up time expected life/service period after expiry of warranty period or often claimed life period etc. These may be among some of considerations on the basis of which concerned committee may recommend any item to be procured and competent authority may accept such item. While making such decisions, the committee(s) may rely on or call for user feedback from M.P. Police employees or from any other Police organization or other user who is/has used the offered item in this past.

2.7 PRICE BIDS AND RANKING OF FINANCIAL BIDS

A. Successful bidder will have to mention the basic price and tax amount separately at the submission of the bill.

B. In case of any tax related dispute relating to GST the decision of GST department will be final and binding, on the Bidder.

C. The successful bidder will be decided on the Lowest Quoted Price Value (L1) which shall be on all-inclusive basis i.e., including all taxes, duties, local leaves, transportation, loading unloading charges, packing, forwarding, freight & insurance etc. i.e., total cost to MP Police.

D. Quoted prices shall be on all-inclusive basis i.e., including all taxes, duties, local leaves, transportation, loading-unloading charges, packing, forwarding, freight & insurance etc.

E. Statutory variation in the rate of GST, taking place between the date of award of contract and the original / refixed delivery period or service period, shall be to the purchaser's account. For claiming any change in price due to such Statutory variation, the successful bidder shall have to lodge claim before the purchaser providing documentary evidence of change in rate of GST taking place after the date of award of contract and the date of supply within the original/refixed delivery period. Purchasers shall issue necessary amendments in the contract to enable generation of supplementary invoices or revised invoice as the case may be.

F. No increase in price on account of statutory increase in the rate of GST taking place during the period of delivery period extension with liquidated Damages shall be admissible.

Nevertheless, the purchaser shall be entitled to the benefit of any decrease in price on account of reduction in GST taking place during extended delivery period.

G. The invoice shall be generated by the successful bidder which may inter-alia include the following confirmations from the successful bidder: -
   i. Certified that the Goods and Services Tax (GST) charged on this Bill is not more than what is payable under the provision of the relevant Act, or the Rules made there under.
   ii. Certified that the goods and services on which GST has been charged have not been exempted under the GST Act or the rules made there under and the charges on account of GST on these goods are correct under the provisions of that Act or the Rules made there under.
   iii. Certified that the Seller is registered with above indicated GSTIN as dealer in the State where in their Billing address is located for the purpose of GST.
   iv. The proper GST invoice as per requirements of GST rules shall be submitted by the successful bidder to the buyer /consignee directly along with the Goods / Services as and when deliveries are made to the consignee.
   v. In case the bidder has quoted the taxes wrongly, MP Police will not be responsible to pay any extra tax amount to the bidder, and the bidder will have to bear the cost of tax difference.

2.8 ETHICAL CONDUCTS OF THE BIDDERS

I. The bidder or its representative shall not make any cartel or group influence the bidding process or the price to the disadvantage of the Government.

II. The bidder or its representative shall not enter into uncalled for correspondence with competent Authority or any of his subordinate or Consultant or any agency as authorized by the Competent Authority with respect to this tender.

III. Where the bidder requires any information with respect to this tender, it or its authorized representative shall interact with SSP (Radio) only during office hours either in person or on his official phones or through the email. Bidders or their staff / agents / employees are strictly prohibited from interacting with any M.P. Police Telecom staff, subordinate to SSP (Radio) on any matter whatsoever. Such unethical behavior shall lead to automatic disqualification of bid.

IV. Where the bidder is not satisfied with any decision of the SSP (Radio), or any of the committee, it has liberty of representing its case before competent Authority or his nominee. But indulging in anonymous or pseudonymous petitions etc. shall be taken to be unethical practice.

V. Bidders must appreciate that only most suitable tender can be accepted and hence all the tenders cannot be accepted, so losing out the bid is also one of the business propositions well known to the bidder well in advance. Therefore, any indiscreet conduct post disqualification would be treated to be an unethical behavior.

VI. Bidders must also appreciate that purchaser department is fully conversant with its requirements and is entitled to define its requirements.

VII. Any canvassing in favor of or against any bid or for inclusion or deletion, substitution of any point in the RFP under its own name or in the name of any other entity or anonymous or

pseudonymous before any authority not approved in the RFP or before multiple authorities or persistent pestering on any term or condition in the RFP may be taken to be unethical practice.

VIII. No OEM, its representatives, employees, agents, channel partners, stockiest, or whatever name it may be designated shall indulge into cartelization, preferential treatment to one or more bidder as against others, or any kind unethical practice with respect to this project

SECTION 3: TERMS AND CONDITIONS

3.1. DELIVERY PERIOD

The successful bidder shall supply and deliver all required items within a period of Forty five (45) days from the date of issuing of the work order. The Agreement shall be signed within 15 days of getting a Purchase/Work Order. Delay may lead to the imposition of non-liquidated damages not in the nature of penalty, as authorized by M.P. Police GOP- 151 /2022. The delivery period might be required to be guaranteed and should not be subject to vague limitation such as “conditions beyond our Command”, “subject to availability of transport” etc.

3.2. STANDARD OF PERFORMANCE

The Bidder shall carry out the supply order/services and carry out its obligations under the Agreement with due diligence, efficiency, economy, and techniques. The Bidder shall also adhere to professional, engineering and consulting standards recognised by international professional bodies and shall observe sound management, technical and engineering practices. The Bidder shall apply appropriate advanced technology and safe and effective equipment, machinery, material, and methods. The Bidder shall always act in respect of any matter relating to this Agreement, as faithful advisors to the Competent Authority and shall always support and safeguard the legitimate interests of the purchaser.

3.3. RIGHT TO VARY QUANTITIES

1. The Competent Authority reserves the right to vary the quantity of the items during the entire contract period based on actual requirements, without any change in the agreed unit price, specifications, terms, and conditions of the Contract.
2. The Authority further reserves the right to increase or decrease the quantity of equipment during the bidding process or at the time of contract signing.
3. The quantities stated in the RFP are not fixed and may be revised based on operational requirements.
4. If the Department decides to add additional camera infrastructure components beyond those specified in the RFP, the Department shall pay the location-wise cost based on the prices quoted by the Bidder in this tender. These prices remain valid for all project locations throughout the contract period.
5. All quantities are tentative and may vary; payment shall be made based on actual supply at the quoted rates provided in the financial bid.

3.4. LIQUIDATED DAMAGES FOR DELAY IN THE SUPPLY:

1. In the event the Bidder fails to submit the required guarantees, documentation, or supply the solution/equipment as per the schedule specified in this RFP, MP Police shall have the discretion to withhold any payments until all contractual obligations are fulfilled. MP Police may levy liquidated damages by deducting the applicable amount from the EMD/Security Deposit or any other payable amount at the rate of 0.5% of the Contract Price per week of delay, or part thereof, for the first two (2) weeks. For delays beyond two (2) weeks, liquidated damages shall be charged at 1% of the Contract Price per week.

   If the delay exceeds six (6) weeks, the Department shall have the right to terminate the contract or get the short or deficient equipment replaced, the cost of which shall be borne by the successful bidder. The Bidder may request an extension of the implementation period with valid justification, and the Department may grant such an extension at its sole discretion.

3.5. PACKAGING

The Bidders shall supply the material in proper packaging at designated site unless otherwise indicated to ensure protection from any damage during transfer from Bidder's place to place of installation etc. These goods would be distributed after checking tests and such other procedures after such interval as may be decided by the Competent Authority in M.P. State. Hence the packaging material must be re-usable. The packaging material shall not be returned to the Bidder.

3.6. PENALTY CLAUSE

If the supply of the material is not completed in the stipulated time as prescribed in this document, it shall be the right of the Police Department:

a. To purchase else-where, without notice to the Tenderers on Tenderer's account and at the Tenderer's risk, the items not delivered or others of a similar description (where offers exactly complying with the particulars are not in opinion of the competent authority readily procurable, such opinion being final) without cancelling the contract in respect of the consignment not yet due for delivery,

and / or

b. To cancel the contract or portion thereof and if so desired to purchase the items at the risk and cost of the Tenderer,

and/or

c. To forfeit the Earnest Money Deposit and/or Security Deposit to the extent of the loss incurred by the Government.

d. To replace the deficient, faulty or short equipment/material, the cost of which shall be borne by the successful bidder.

In the event of action being taken under (a), (b) and (c) above, the Tenderer shall be liable for any loss, which the Government may sustain on that account, but the Tenderer shall not be entitled to any gain on purchase made against default.

1. Penalty may be deducted from any amount payable to vendor or it may be directed to deposit the penalty amount separately or may be deducted from security / performance bank guaranty / deposit.
2. During the warranty, if the Bidder fails to attend to or rectify the issue within one (1) week from the date of notice issued by the Department, the Department shall have the right to undertake the necessary repair or replacement on its own. All costs incurred by the Department for such repairs or replacement shall be fully borne by the Bidder and may be recovered from the Bidder's bills, performance security, or any other dues payable.
3. The Purchaser shall have the authority to impose an additional penalty of the total contract value in cases of delay, undelivered or partially delivered materials as per Project Timeline. The Earnest Money Deposit (EMD) may also be forfeited in the event of late deliveries. The Purchaser's decision regarding the quantum of penalty to be levied shall be final and binding.
4. During the warranty period, if the repair/replacement etc. of Cameras, UPS, Switches etc. is not carried out within **07 days from the date of receipt of the notice/information**, a penalty shall be imposed as per the following, calculated from the **10% annual amount payable**:

S.No.	Item Name	Penalty
1.	All types of cameras, 1 KVA UPS	₹200 per day per unit after 07 days from the date of notice.
2.	Network Edge managed L2 switch	₹500 per day per unit after 07 days from the date of notice.
3.	Video Wall, 40 KVA, 20 KVA, 10 KVA Online UPS	₹1000 per day per unit after 07 days from the date of notice.

3.7. ACCEPTANCE TESTING AND INSPECTION

I. The system hardware and other equipment, supplies etc. will be tested by the Final Acceptance & Test Committee as per Acceptance Test Procedure (ATP) as formulated and approved by the Competent Authority or his nominee.

II. Department reserves the rights to pre-dispatch inspection at the site of Bidder's manufacturing premises as well as Material inspection and acceptance testing which shall be limited to verification of quantity, make, model, specifications, physical condition and warranty documentation at the consignee location. Department also reserves the right to inspect the documents regarding procurement of parts/kits of the items being supplied which Bidder acknowledges are not manufactured in its own plant and purchases from outside or outsources from any third party.

3.8. PAYMENT TERMS

Payment plan shall be as laid down below. No payment shall accrue until the performance guarantee has been furnished and all the equipment / goods / Services are supplied as per terms mentioned below. The Selected vendor/Successful Bidder shall be responsible to invest in the project, to supply Items, for a term of three years.

Payment Milestones

The successful bidder shall make a payment request after the end of each milestone period with the following supporting documents:

I. Final Acceptance certificate (for first payment only) issued by the MPP/the Purchaser.

Milestone	Payment
Payment will be released after supply of all the items and equipment except Video Wall at RHQ Bhopal & check test of material.	60 % of the total contract value.
Payment will be released after supply, Installation, Commissioning and Go- Live after Final Acceptance Test of Video Wall and UPS at required sites	10 % of the total contract value.
Payment will be released only after satisfactory completion of the 01 year warranty period.	10% Per Year of the total contract value.
Will be released only after satisfactory completion of the 02 year warranty period.	10% Per Year of the total contract value.

1.	Supply of IT equipment (supply only, excluding Video Wall and UPS)	D + 45 Days
2.	Supply of Video Wall and UPS at required sites	D + 45 Days
3.	Installation, Commissioning and Go-Live of Video Wall and UPS at required sites	D + 75 Days (i.e., within 30 days of delivery at site)

- All the bill Payments will be processed after satisfactory completion of the task/s as per the given timelines, as per terms and conditions mentioned in the various sections of the RFP.
- In any exceptional circumstances, service provider may request timeline extension to the competent authority with proper justification, and competent authority may grant approval at its own discretion.

3.10. TERMINATION

1. The Competent Authority may, without prejudice to any remedy for breach of contract, by written notice of default sent to the Tenderer, terminate the agreement in whole or in part if:
    a) The Tenderer fails to perform any or all of the obligations within the time period(s) specified in the agreement or any extension thereof granted by the Competent Authority.
    b) The quality of the delivery is not up to the satisfaction of the Competent Authority.
    c) The Tenderer fails to perform any other obligation under the agreement.
    d) The Tenderer fails to perform any other obligation, which the Competent Authority feels necessary for the best interest of the Purchaser.
2. The Competent Authority may at any time terminate the contract by giving written notice to the Tenderer without compensation to the Tenderer, if the Tenderer becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy, which has occurred thereafter to the Competent Authority.
3. In case of termination of contract as mentioned above all Bank Guarantee furnished by Tenderer shall stand forfeited.

3.11. SUSPENSION

i. The Competent Authority may by a written notice of suspension to the Bidder, suspend all payments to the Bidder if the Bidder fails to perform any of its obligations (including the carrying out of the tasks) provided that such notice of suspension:

   a. Shall specify the nature of the failure and
   b. Shall direct the Bidder to remedy such failure within a specified period from the date of receipt of such notice of suspension by the Bidder.

ii. In the event of the successful bidder's failure to supply the equipment as per the Contract, or failure to meet warranty obligations, including repair, replacement, or maintenance of defective equipment within the prescribed timelines, the Competent Authority may issue a written notice and suspend payments due under the Contract. If the bidder fails to rectify the deficiency within the stipulated period, the Purchaser may procure the required equipment or services from an alternate source at the bidder's risk and cost, without terminating the Contract, and recover the resultant costs from the bidder.

3.12. CONFIDENTIALITY

The Bidder, their partners, suppliers, associates and their personnel shall not, at any time either during implementation or after completion of the project and further during operation and maintenance of the project, collect, compile, record, store, copy, forward or disclose in any manner any proprietary or confidential or personal information relating to the services, Agreement, the M. P. Police's official data or information / data being recorded into the systems without the prior consent and authority of the Competent Authority. Bidder and its personnel shall not disclose any information stored in the servers of the system to any person on any ground except with the express permission of competent authority unless it is legally required as per direction of court of competent jurisdiction. For any breach of confidentially the Bidder organization and its office bearers, collectively and individually, shall be responsible under all civil and criminal law in addition to the personal liability of the person indulging in such misconduct.

3.13. PROPERTY AND RISK

1. All goods and work must pass the Acceptance Test, and the Competent Authority shall be entitled to reject all or any work or property or good, which do not conform completely in every respect to the specifications mentioned in the RFP.
2. If by the nature of the goods or property, any defect therein or any failure to conform as aforesaid does not or would not become apparent (despite the carrying out the examination and or required test) until after use, Competent Authority may reject the same even after a reasonable period of their use.
3. Any property or work rejected must at the instruction of Competent Authority be replaced or re-performed as the case may be, by the Bidder at his expense. Alternatively, Competent Authority may elect to cancel the contract both in respect of the goods and /or the work in

question and of the whole of the undelivered balance (if any) of the goods and/or the remainder of the work (if any) covered under this contract. All rejected goods will be taken back by Bidder at his own expense.

4. The goods/equipment/items while being provided to, MP Police must be in the name of MP Police and must not be mortgaged, hypothecated to or under any kind of charge to any bank, financial institution or any third party.

3.14. ARBITRATION; COURT OF COMPETENT JURISDICTION

In the event of any dispute, the Director General of Police, Madhya Pradesh, or any Officer designated by him, shall be the sole arbitrator. The decision of the Director General of Police shall be binding on both the parties, i.e., the tenderer and the Department. All legal disputes are subject to the jurisdiction of Bhopal courts only.

3.15. AGREEMENT

1. The successful bidder shall execute an agreement on non-judicial stamp paper. The stamp duty payable on the agreement may be 0.1% of the contract value. If the contract value is up to ₹50 lakh, the applicable stamp duty shall be ₹500/- or such other amount as may be prescribed under the applicable law. The agreement shall be duly executed within 15 days from the date of receipt of the intimation of acceptance of the tender. If the agreement is not executed within the stipulated period, the purchase order may be cancelled. All expenses incurred in executing the agreement and paying the stamp duty shall be borne by the bidder. The bidder shall provide one copy of the duly executed and stamped agreement, free of cost, to the Senior Superintendent of Police (Radio), on behalf of the Director General of Police, Madhya Pradesh. The second copy shall be without non-judicial stamp paper. 2. Till such an Agreement is signed, there is no liability for Police Telecom HQ, MP Bhopal and the Competent Authority.
3. The Madhya Pradesh Police reserve the right to cancel or scrap the tender, in whole or in part, at any time before or after the execution of the Agreement, without assigning any reason. In such an event, MP Police shall not be liable for any loss, cost, or consequential damages incurred by the Bidder
4. Security deposit will have to be submitted along with the Agreement signing.
5. On submission of security deposit and signing of the agreement, the timeline for completion of tasks under the RFP shall commence forthwith.

3.16. LAW AND JURISDICTION

All legal disputes are subject to the jurisdiction of Bhopal courts only.

SECTION 4: SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

4.1 Scope of Work

The Madhya Pradesh Police Telecommunication Department intends to procure IT and Surveillance Infrastructure equipment for replacement and upgradation of systems deployed under the Safe City Project across 65 cities in Madhya Pradesh. The selected bidder shall be responsible for the supply, delivery, and warranty support of the specified equipment in accordance with the requirements of this RFP. The equipment shall be delivered to the Police Telecommunication Headquarters Store and/or other locations designated by the Purchaser. The procurement aims to ensure the continued reliability, operational efficiency, and modernization of the State's surveillance and communication infrastructure.

The selected bidder (hereinafter referred to as the "Supplier") shall be responsible for the execution of the following activities:

4.1.1 Supply of Equipment

Supply all items specified in the BOQ in accordance with the technical specifications, quantity requirements, and conditions stipulated in this RFP. Ensure that all equipment supplied is brand new, unused, genuine, free from manufacturing defects, and sourced through authorized channels. Ensure that the supplied equipment conforms to the latest applicable industry standards, statutory requirements, and specifications prescribed in this RFP.

4.1.2 Packing, Transportation and Delivery

Undertake complete responsibility for packing, transportation, transit insurance, loading, unloading, and safe delivery of the equipment to the designated delivery locations specified by the Purchaser. Ensure that all items are adequately packed to prevent damage, deterioration, or loss during transit and storage. Deliver all equipment within the timelines specified in the
RFP and Purchase Order.

4.1.3 Inspection and Acceptance

The Purchaser reserves the right to inspect and verify the supplied equipment for compliance with the technical specifications and contractual requirements. Any item found to be defective, damaged, short supplied, or not conforming to the prescribed specifications shall be replaced by the Supplier at its own cost within the time stipulated by the Purchaser. Final acceptance of the supplied equipment shall be subject to satisfactory verification by the Purchaser or its authorized representatives.

4.1.4 Documentation

The Supplier shall furnish the following documents along with the supplied equipment, wherever applicable:

- Manufacturer's Product Datasheets and Technical Literature
- Authorization Certificates from OEMs
- Warranty Certificates
- Compliance and Test Certificates
- Delivery Challans, Invoices, and Packing Lists
- Any other document required by the Purchaser for verification and acceptance of goods.

4.1.5 Warranty and After-Sales Support

The Supplier shall provide comprehensive warranty support for all supplied equipment for the period specified in this RFP. During the warranty period, the Supplier shall replace any defective, failed, or non-performing equipment at no additional cost to the Purchaser.

4.1.6 Compliance with Statutory and Contractual Requirements

The Supplier shall comply with all applicable laws, rules, regulations, standards, and guidelines governing the manufacture, supply, transportation, and delivery of the equipment. The Supplier shall adhere to all terms and conditions, technical specifications, quality requirements, and contractual obligations contained in this RFP and the resultant contract.

4.1.7 Comprehensive Responsibility

The scope of work shall include all activities incidental and ancillary to the successful procurement, supply, transportation, delivery, inspection, acceptance, documentation, warranty support, and fulfilment of contractual obligations relating to the equipment specified in the BOQ, whether expressly mentioned herein or otherwise required for the satisfactory completion of the contract.

4.1.8 Installation and commissioning of Video Wall and UPS (exclude 1 Kva)

The bidder shall also undertake the supply, installation, testing and commissioning of the Video Walls and UPS at different sites including all associated hardware, software, accessories, mounting arrangements, cabling and integration components as part of the scope of work defined under this RFP. List of sites will be provided separately. The video wall shall be delivered in a fully functional and operational condition.

4.2 TECHNICAL SPECIFICATIONS

4.2.1 Dome Camera

#	**Parameter**	Specifications

26	Compliance	ONVIF Profile S or higher
	General	
27	Operational temperature °C	0°C to 50 °C
28	IP rating	IP67
29	Power	PoE
30	Certifications	CE (Certificate should be attached with technical bid documents)
31	Local Storage in SD card	256 GB
32	Warranty	03 Years Onsite Warranty
Note: Bidder has to ensure “Bird Scare” to fix at the top of camera housing to avoid birds away from the camera.		

4.2.4 Network Edge managed L2 switch

Sl. No.	Specification	Description	Compliance
1	Type	Managed Outdoor Industrial grade switch	
2	Total Ports	Minimum 8 100/1000/TX PoE/PoE+, 2 x 1G fiber SFP ports for Uplink	
3	Ethernet Port Protection	Ethernet port should support 3KV LAN surge protection for extreme outdoor environments to ensure uninterrupted reliability of PoE systems.	
4	Protocols	IPV4, IPV6, Support 802.1Q VLAN, DHCP support, IGMP, SNMP Management, IEEE 1588 PTPv2/SNTP Redundancy Protocols STP, RSTP, MSTP, Turbo chain/Turbo Ring v1/v2, Link Aggregation, EtherNet/IP, Modbus/TCP	
5	Access Control	Support port security: Lock port Support 802.1x (Port based network access control), TACACS, RADIUS Support for MAC filtering	
6	PoE Power per port	Power budget of 240 Watt for total PDs (e.g., connected cameras) consumption, Minimum 30 watt per port as per IEEE 802.at standard	
7	Enclosure Rating	Switch should be IP30 rated	
8	Operating Temperature	-10 to 60 °C	
9	Multicast support	IGMP Snooping V1, V2, V3	
10	Management	Switch needs to have RS-232/USB/RJ45 console port for management via a console terminal or PC Web GUI NTP Syslog for log capturing SNMP V1, V2, V3	
11	Standards/Approval	NEMA TS-2, UL 508 or UL/CSA 61010-2-201, EN 50121-4 ESD: IEC 61000-4-2 Surge: IEC 61000-4-5	
12	MTBF	Should be more than 5,00,000hrs (OEM Should submit Test Report)	
13	Power Requirement	Input Voltage: 48 VDC, Redundant dual inputs Overload Current Protection: Supported Reverse Polarity Protection: Supported	
14	Warranty	03 Years Onsite Warranty	

4.2.4 ANPR Camera

1	**Minimum IP Camera Specification**	
A	At least 2 MP, IP Box Camera, with 1/3-inch CMOS sensor	
B	5mm to 50 mm or 8mm to 60 mm or 8 to 50 mm Vari-focal megapixel, IR corrected Lens	
C	Dual Stream support: MJPEG stream and H264 independently configurable. MJPEG Stream must be available in 2 MP resolution	
D	Simultaneous Streaming of both H264 and MJPEG streams	
E	At least 3 concurrent access to Camera	
F	MJPEG on RTSP/HTTP and H.264 in RTSP protocol	
G	ONVIF Profile S Compliant	
H	Camera Housing: Min. IP67 or better and IK10 rated	
I	Onsite Warranty - 03 Years	

4.2.5 ONLINE UPS 40 KVA

S.No.	Parameter	Minimum Specification
1	UPS Type	Online Double Conversion UPS
2	Capacity	40 kVA / 40 kW

SECTION 6: WARRANTY OBLIGATIONS

1. The successful bidder shall provide comprehensive warranty for all supplied items as specified in the technical specifications or, where not specified, for a minimum period of Three (03) years from the date of acceptance of the materials by the Purchaser.

2. The warranty shall cover all manufacturing defects, material defects, workmanship defects, premature failures, and performance deficiencies arising under normal operating conditions.

3. During the warranty period, the bidder shall, at no additional cost to the Purchaser, repair or replace defective equipment, components, accessories, or spares with new or equivalent items of the same or higher specifications.

4. The Purchaser shall notify the bidder regarding any defective item through e-mail, letter, or any other written mode of communication. Upon receipt of such notification, the bidder shall acknowledge the complaint within three (3) working days.

5. The bidder shall ensure repair or replacement of the defective item within ten days (10) calendar days from the date of reporting of the fault. If the item cannot be repaired within the stipulated period, it shall be replaced with an equivalent or higher specification item.

6. All transportation, freight, loading, unloading, packing, insurance, collection, and re-delivery costs associated with warranty repair or replacement shall be borne by the bidder.

7. The warranty obligation of the bidder shall be limited to repair or replacement of defective supplied items only. Installation, re-installation, commissioning, integration, configuration, testing, operation, maintenance, and network-related activities shall not be the responsibility of the bidder under this contract, unless specifically covered under a separate purchase order.

8. Any item replaced under warranty shall carry the balance warranty of the original equipment or an additional three (3) months from the date of replacement, whichever is later.

9. The bidder shall provide contact details of its authorized service centre, support partner, or nodal service representative for warranty claim coordination within the State of Madhya Pradesh.

10. Failure to fulfil warranty obligations within the stipulated timelines may result in recovery of replacement cost from the Performance Security/Performance Bank Guarantee or any other dues payable to the bidder.

    Note:- The bidder shall ensure that all components supplied and deployed under the project are certified, secure, interoperable, and compliant with applicable STQC standards and Government policies, regulations, and technical specifications.
